### OUR KEY UNIQUE SELLING POINT

*"Bespoke, practical and quality training delivered by a trainer experienced in your industry is a "given". Where we really make a difference is how we help your managers to embed and implement the learning after the course. We offer industry-leading post-course support to make this happen so you get a real, tangible return on your investment"*

Welcome!

Hello!

Thanks for checking us out.

I formed MTD back in 2001 with one obsession – you!

My goal ever since has been to help organisations, just like yours, to improve your people so they can make a real, tangible difference in their role.

That's it. That's the bottom line. The whole objective of learning is performance improvement, it's not learning for learning's sake.

All of our solutions and more importantly, all of our people, have been selected and developed with that aim in mind.

I appreciate that selecting a training provider is a tough decision. Put your trust in MTD and we won't let you down.

As soon as we're on your team we act that way. Your problems become our problems and we will do everything in our power to not only meet your expectations, but to exceed them.

We don't do average. We're committed to excellence in all that we do.

If you've got any questions or requirements in mind please call **0333 320 2883** for a chat with one of our L&D team.

Thanks again and take care,

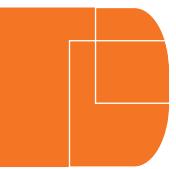

Sean

## Why Do Companies Choose MTD?

Selecting a training provider can be a daunting experience as you've got to cut through the fog of company brochures and unique selling propositions and then determine whether they are a good fit for your company and if they will really make a difference to your business!

Here are the main reasons why our existing clients chose MTD over all others:

*"Delivers. That is the one word that sums up MTD.

## Why Do Companies Choose MTD?

### PRACTICAL “REAL-WORLD” TRAINING

Your staff will not be bored with lecture-like sessions!

Our training is very practical and focused on real-world situations and topics that your managers face on a day-to-day basis.

For our bespoke solutions, we'll gather a lot of information and feedback from you and your managers for specifics on particular scenarios, so the content, materials, discussions and activities are 100% relevant!

We appreciate that it's the application of the learning that's vital, so as well as covering the techniques we always cover what your managers should do to actually put the learning into practice when they get back to work. We will not simply just deliver an “off-the-shelf” solution.

It's important that we get to know your business, how it operates and its culture.

We will want to understand where you're heading and the current business drivers to input into the training. The keyword with all of this is “relevancy”. Everything has to be relevant to your objectives, your company and industry as a whole.

*“The training was excellent. It was very practical and completely hit the mark in terms of the content. The exercises and the case studies were very real and we could all apply the learning to the situations that we face.”*

## Why Do Companies Choose MTD?

### UNRIVALLED INDUSTRY-LEADING POST COURSE SUPPORT

It's a complete waste of time and money if your managers come back to work, say "It was a great 2 days" and then do nothing about it and make no changes to the way that they are managing and leading their teams.

The embedding of the learning back in the workplace is the ultimate yardstick as to whether the training will be a success or not. Here at MTD we understand this and we make the embedding of the learning a key theme all throughout the training that your managers will receive.

### PRE-COURSE QUESTIONNAIRE SENT TO ALL MANAGERS

All of your managers will receive pre-programme questionnaires so they can have an input into the training. The questionnaire looks at strengths and areas for development and also asks for any particular scenarios that the manager would like specific help with. This also helps with "buy in" too

*"MTD provided all of our training for Sales Managers. The feedback was fantastic and we are starting to see the benefits manifest themselves out in the business units"*

## Quality Of The Training

### FEEDBACK REPORT TO THE SPONSOR SCORES, GRAPHS, COMMENTS

At the end of the programme we will ask your managers for feedback in terms of the design, the content and the delivery of the programme.

We will collate all of the feedback and send this to you to include scores, graphs, comments from the delegates and how they are going to implement the learning.

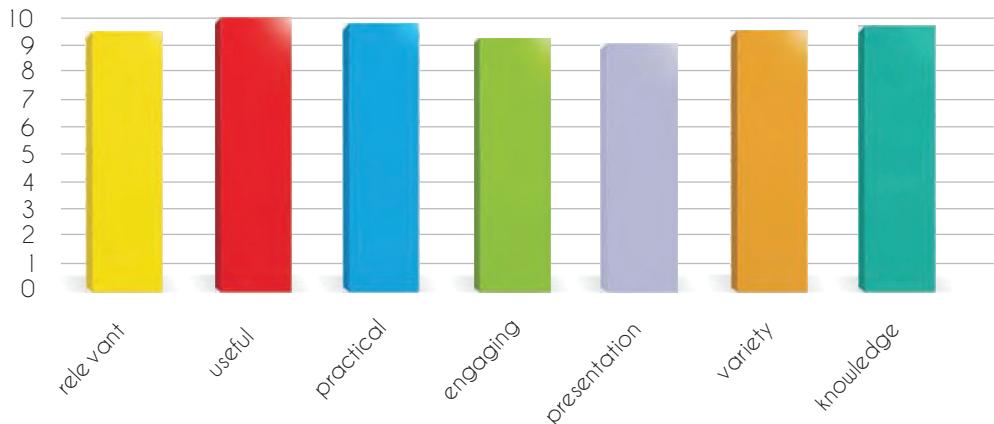

### FLEXIBLE TRAINING SOLUTIONS

We can design and record videos, e-learning modules, podcasts, webinars, tele-seminars – you name it! Our multi-media suite is geared up for a complete blended variety of learning approaches that will provide variety and flexibility.

What we offer goes way beyond that of just providing courses. In addition to all of the blended learning options mentioned above, we also offer 360° feedback questionnaires, personality assessments, simulations, coaching, role plays using actors, video play-back, a full administration function that includes delegate bookings, sending joining information etc.

## Why Do Companies Choose MTD?

### RELEVANT INDUSTRY EXPERIENCE & HANDPICKED COURSE LEADER

There is nothing worse than a trainer who “loses the group” because of their lack of knowledge and experience of your industry. There are 3 vital qualities in our trainers that will give them instant “street-credibility” with your managers.

Firstly, all of our trainers have been senior managers in previous lives. We feel that this is very important as the trainer can relate to the pressures and the challenges that your managers are facing now and in the future.

Secondly, your trainer will have had experience of your industry. We do not simply select a trainer that is available. We will match the right trainer to the right industry who can speak your “lingo” and knows the challenges that your industry faces.

Finally, the trainer’s style has to be right. That’s why we make sure that you get to meet the trainer very early on in our discussions.

### ACCREDITATIONS

We are accredited by 4 institutes. That means that we regularly have all of our processes, quality standards and material audited to achieve our accredited status. This gives you the peace of mind for the quality and consistency on the services that we provide.

Being an accredited training centre means that we can provide formal management and leadership qualifications and endorsements for your courses if required.

*“If I was to summarise why you should seriously consider using MTD it would be very simple.....they were there for us from day one, they listened to what we wanted, made sure that it was what we needed and delivered to a very high standard”*
